

# The Halton Women's Centre

## Third Party Events Promotion Package

### What is a Third Party Event?

It is an event that you hold or participate in to raise money for the Halton Women's Centre.

Many organizations have held such events for the Centre and we are extremely grateful, as we are totally dependent on annual fundraising to operate our very special Centre.

How have local businesses helped us? With fashion shows and donations of proceeds from movie nights and endurance-testing events like dragon boat races.

The possibilities for third party events are endless. Bowl-a-thons, walkathons, raffles, used book sales—you name it!

**Whatever type of event you choose, we are happy to help in any way we can, with presentations to your company, logos and artwork, and any other support we can offer.**

### Why The Centre Needs Your Support

The Halton Women's Centre offers many services to the women of this community:

- free, confidential peer counselling
- support groups
- legal clinic and employment network
- innovative and inspiring workshops
- New Start Entrepreneurial Program for Women

Without community support, we could not provide these valuable services to the thousands of women who visit our Centre every year.

### What Do You Gain?

By hosting an event for us, your company will:

- increase its profile in the community
- generate free publicity
- give employees a chance to learn valuable skills as they plan and implement the event
- boost staff morale and energy as everyone gets behind the event
